

Member-To-Member Discount Program

This is a program exclusively for Chamber members!

Member to Member Benefits are a great way for Perry County Chamber of Commerce members to offer discounts and special promotions to fellow Chamber members. Any member in good standing may request to offer a Member to Member Benefit. Benefits must be offered to Chamber members exclusively and **not available to the general public**.

WHAT MEMBER BENEFITS DO FOR YOU:

- Benefits expose your business to more potential clients and customers.
- Member to Member Benefits help you market to Chamber members and their employees.
- Member to Member Benefits are free advertising for your business. Your Benefit will be listed online and participating members will have their name and benefits distributed to each new joining member.
- Special offers create a loyal customer base within your Chamber peer network.
- Benefits are affordable for everyone - listings are FREE.

Please fill out the form below and return it to the chamber office. Upon receipt of your application, the Chamber will process your Benefit, put your Benefit up on our Web page and e-mail blast other members of the newest member-to-member discount available.

All Chamber businesses will receive four (4) membership cards entitling them to discounts at participating Chamber businesses (additional cards available at 50¢ each). Simply being a member of the Perry County Chamber of Commerce entitles you to use the program. There are no fees to participate in this program. As we continue to receive additional participants, updates will be posted. Offers are subject to change. The program will be renewed each March.
